

MACHEnergy

Date of submission: 16/11/17

For the week commencing 20th November 2017 blasts are scheduled for:

One Blast on 24th November.

The firing window is between the hours of 10am and 12pm.

The Mount Pleasant Operation will co-ordinate blast times with Bengalla and Mangoola coal mines to minimise potential cumulative blasting impacts. This schedule may be subject to delays from production constraints or by unsuitable weather conditions on the day of the blast.
