

# Dorset Road & Castlerock Road Works

Community Update No 3  
September 2025

MACH Energy Australia (MACH) owns and operates the Mount Pleasant Operation (MPO) located approximately 3km north-west of Muswellbrook. This Community Update is to inform you of the upcoming activities for the Dorset Road and Castlerock Road road works project.

## Project Timeline:

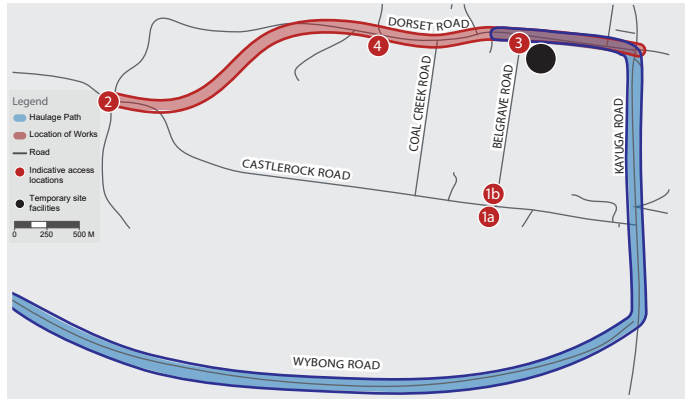

- September 2025 to June 2026

**MACH**Energy

Mount Pleasant Operation

The Castlerock Road diversion works are progressing well. Since our last update, site preparation has commenced, with key enabling infrastructure underway adjacent to Dorset and Castlerock Roads. To support these works, residents may notice increased vehicle activity along Wybong, Kayuga, and Dorset Roads. This includes the delivery of plant, equipment, materials, and gravel essential to construction.

*INSET FIGURE general arrangement Dorset Road & Castlerock Road works.*

During the construction period:

- Temporary traffic arrangements on Dorset Road, with one lane traffic regulated at times with traffic control.

Standard Work Hours:

- 7 am to 6 pm Monday to Friday and 8 am to 1 pm Saturdays. Weekend hours may vary based on project requirements.

## Material Import:

- During the upcoming school holiday period, (27 September – 12 October), there will be increased haulage of materials to the Dorset Road project area
- The haulage campaign has been scheduled to reduce interactions with school buses and minimise the overall impact period
- Increased truck movements will be along Bengalla Link, Wybong, Kayuga, and Dorset Roads
- Haulage times Monday to Saturday, between 7am - 6pm.

## Current period works include:

- Establishment of site facilities adjacent to Dorset Road
- Import of construction materials
- Clearing and grubbing activities
- Installation of the construction water supply pipeline
- Delivery of culverts and commencement of drainage works
- Stripping of topsoil.
